8:30 a.m. | Outside Worship

**Welcome! We've missed you!**

## **What You Need to Know:**

- ▶ We're glad you are here! We are doing everything we can to make this a worshipful and safe experience for you. If you have suggestions on how we could do this better, please let us know!
- ▶ Please check in with Sheri Ridenour before you make your way to the lawn to find a spot.
- ▶ Masks are required. If you do not have one, we can provide you with one, please ask!
- ▶ If you did not bring a chair, David Taylor will assist you with one of our folding chairs.
- ▶ Please stay in your family group. Spots for each family group are marked on the lawn. You are asked to sit where X marks the spot and to maintain the suggested 6 ft distance.
- ▶ If you need assistance, please reach out to one of our staff members, or one of our volunteers: Clay Tarter, B. Don Steveson, or John Dorean.
- ▶ You can access the order of service and words to the songs in the email that was sent to you this week or on our website, [www.northhavenchurch.net](http://www.northhavenchurch.net).
- ▶ If you would like to sing along, please do so softly with your mask on.
- ▶ A locked metal box is located at the welcome table if you would like to leave an offering.

It's so good to see you!
